Completing An IGP Wellness Medical

1 - Initial Consultation

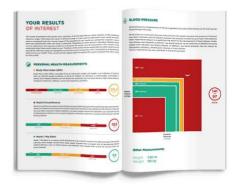

An initial appointment will be undertaken with an IGP Nurse and then Doctor, to undertake the required health measurements, tests, pathology and carry out a comprehensive physical examination.

2 - The Testing

In-depth health analysis and diagnostic reports will be completed and collated.

3 - The Results

You will receive a detailed results report that includes detailed explanations of the results with comparisons against normal healthy ranges. These will be provided as an electronic pdf delivered via our secure patient portal.

4 - Follow Up Consultation

A follow up appointment will be made when the results are available with an IGP General Practitioner. This will be to discuss your results and/or help plan your way forward to manage and improve your health and wellbeing.

How much is the iGP Wellness Medical?
